

SABA SHUBITIDZE

SOFTWARE ENGINEER | COMPUTER SCIENCE STUDENT

shubitidzesaba09@gmail.com | (+995)555 94 20 91 | Tbilisi, Georgia

ABOUT ME

As a Junior Software Engineer, I am passionate about building dynamic and interactive web applications using modern technologies. I have a strong understanding of programming fundamentals and enjoy collaborating with others to build high-quality software. If you're looking for a motivated and dedicated Junior React Developer to join your team, feel free to connect with me. I'm excited to discuss how I can contribute to your projects and help take your web applications to the next level!
